

Make Training Last

Two Web seminars and One Implementation workshop

Foster effective management behaviours, deliver improved results through the application of The Human Element®. Participate in two LIVE online web seminars focussing on the Implementation of The elements of Human Awareness. Attend our Implementation workshop and "sharpen the saw" further.

MTL Webinars : Share the experiences from your work based project, get an update on EI and Individual Effectiveness, Summarise the modules in two one hour online seminars.

Workshop: A one day work shop focussing on the links between the human aspects of; Significance & Inclusion, Control & Competence, Openess and Likeability. Applying positive leadership changes.

The Missing Link – Creating the right Environment for Performance

Summary and Plan of Action: To provide participants with a practical framework for putting future changes into practice.
