

## Managing Teams Logically

2 days + 1 Event

*Foster effective management behaviours, deliver improved results through the application of The Human Element® in Operational Teams. Develop Synchronicity and Emotional intelligence in teams. Design and host a Charity Event.*

**Introduction and Objectives:** Setting the scene- feedback on interim work based assignments.

**The MTL Challenge:** Explore the impact of adverse conditions on effective leadership approaches, and deliver an Event for the Young Peoples Trust for the Environment in Devon.

**Resource management and Planning:** Influencing behaviours, emotional intelligence and delivering positive outcomes. Application of The Human Element® in delivering improved human outcomes.

**Developing best practice:** Share best practice and develop the environment where teams can deliver exceptional performance. Inclusion, control and openness are explored in interactive sessions.

**Event Delivery:** Walk the talk and deliver an outcome. Event options will vary depending on the season and availability.

**The Missing Link – Creating the right Environment for Performance**

**Summary and Plan of Action:** To provide participants with a practical framework for putting future changes into practice.

**Post Course Work Based Assignment  
eCoaching & Web conference follow up.**
